Notice to Navigation Interests

Notice No. L02-69

Date: 27 SEPTEMBER 2002

Waterway: ST. MARYS RIVER

Location: MICHIGAN

CELRE-OT-T

WEST CENTER PIER REPAIRS
ST. MARYS RIVER
SAULT STE. MARIE, MICHIGAN
CHART 14883

1. Ryba Marine Construction Company will commence repairs to a 300-foot long portion of the southern face of the west center pier beginning 320 feet east of the outer end of the pier. Work will begin in mid October and continue as long as weather conditions permit. Operations will be from 0700 – 1900 hours, seven days per week.
2. While navigating the construction area, vessels are requested to check their speed. During October, a 140 x 40 foot barge will be working along the face of the pier. Divers may be in the water. Vessels dispatched downbound to the Poe Lock may be required to make winter landings. Downbound Poe traffic may be asked to check speed so that arrival coincides with a clear lock. The Ryba Company vessels ALCONA or KATHY LYNN can be contacted via channels 16 and 13 VHF-FM. For further information, contact Darrell L. Wallace at (231) 627-4333.
3. All inquiries should be addressed to CELRE-OT-T and should refer to Notice to Navigation Interests No. L02-69. Internet address: <http://huron.lre.usace.army.mil/OandM/o&m.html>

THOMAS H. MAGNESS
Lieutenant Colonel, U.S. Army
District Engineer

Notice to the Postmaster:

It is requested that the above notice be conspicuously and continuously posted until December 31, 2002.
